Dr. Barry who has been selling his wonderful medicine, Germicide, has done untold good to our citizens. The medicine is all that is claimed for it, and Dr. Barry is a man of integrity and honor and can be trusted by our people. He is good for his contract and truthful in his statements, and honest in his dealings. All who are suffering from diseases of the stomach or kidneys will do well to consult Dr. Barry while he is here. He will be here all this week and probably next. Call on him at Central Hotel.

The 29th District of the W. C. T. U. in this state was awarded the banner at St. Louis last week for having secured more new members than any other district in the state. This is the district over which Miss Roena Shaner, our Jackson girl of whom we are all proud, presides. Miss Shaner was also made delegate to the national convention of the W. C. T. U. that meets at Philadelphia soon. This is another well deserved honor for Miss Shaner. The Herald congratulates her and will say that her people cannot honor her too highly for she is a thorough consecrated christian and merits all the praise given her.

James L. Skelly of Sparta, Ill., brother-in-law of Mrs. David Hamilton, was visiting here Sunday and Monday. He came on account of the sickness of Mrs. Hamilton. Mr. Skelly is chairman of the Republican central committee of Randolph county and is one of the oldest Republicans in his state, having cast his first ballot for Fremont for president. He is a justice of the peace and has held that position for twenty-five years. Mr. Skelly was agreeably surprised, he says, to find so many Republicans over in Missouri, as he had an impression that Southeast Missouri was all Democratic.

Died, at his home in Jackson, on last Sunday night, G. B. Meier, aged 33 years. Mr. Meier was in apparent good health Sunday evening, and was taken suddenly sick Sunday night and before his wife could summon medical aid he died. Heart failure is supposed to have been the cause. Mr. Meier was in business in Jackson for several years and was well known all over the county. After selling his business in Jackson he engaged in the mercantile business at White-water. He had come home to spend Sunday and death suddenly took him away. He leaves a wife and several children to mourn his death. We extend our sympathies to the family in this their sad bereavement.

BLACK - DRAUGHT STOCK and POULTRY MEDICINE

Stock and poultry have few troubles which are not bowed and liver irregularities. Black-Draught Stock and Poultry Medicine is a bowel and liver remedy for stock. It puts the organs of digestion in a perfect condition. Prominent American breeders and farmers keep their herds and flocks healthy by giving them an occasional dose of Black-Draught Stock and Poultry Medicine in their food. Any stock raiser may buy a 25-cent half-pound air-tight can of this medicine from his dealer and keep his stock in vigorous health for weeks. Dealers generally keep Black-Draught Stock and Poultry Medicine. If yours does not, send 25 cents for a sample can to the manufacturers, The Chattanooga Medicine Co., Chattanooga, Tenn.

Receivable, Ga. Jan. 20, 1902. Black-Draught Stock and Poultry Medicine is the best I ever tried. Our stock was looking bad when you sent me the medicine and now they are getting so fine. They are looking 20 per cent better.

SHYLOCK

Shylock was the man who wanted a pound of human flesh. There are many Shylocks now, the convalescent, the consumptive, the sickly child, the pale young woman, all want human flesh and they can get it—take Scott's Emulsion.

Scott's Emulsion is flesh and blood, bone and muscle. It feeds the nerves, strengthens the digestive organs and they feed the whole body.

For nearly thirty years Scott's Emulsion has been the great giver of human flesh.

Kinloch Paint at the World's Fair.

Caldwell & Drake, the builders of the Agricultural Palace at St. Louis, the largest building in the world, write:
"We are using 'KINLOCH PAINT' on all our work and find it entirely satisfactory."
Such a firm is particular about the paint it uses; their work requires particular paint. Their specifications demand the best materials and the most workmanlike labor of skilled artisans. When they use "Kinloch" on all their work and pronounce it "entirely satisfactory", it stamps it as thoroughly good, dependable paint, the paint you want on your own home.
"Kinloch" is not a high priced paint, although it is a high grade one, and it wears longer than any other paint in the market and looks well all the time. Made in all the standard colors.
Our local agent will tell you why you can not afford to use any other paint. The price he will quote you will be surprisingly satisfactory.

WHEREVER WE HAVE NO AGENT, YOUR OWN DEALER WILL GET "KINLOCH" FOR YOU, IF SHOWN THIS AD. BY WRITING DIRECT TO KINLOCH PAINT COMPANY, ST. LOUIS, MO.
